

Autumn One in Year 5

English

We are revising and reinforcing our understanding of foundational skills by following "The Place Value of Grammar and Punctuation."

We will be learning about the different types of nouns and verbs then using this knowledge to identify the subject and verb in a sentence.

We will then build simple sentences where we use capital letters full stops and commas to accurately punctuate all of our full paragraphs.

Foundational Skills...

Alongside this, we will be reading a range of extracts in order to develop our comprehension skills, including :

- Flamma the Gladiator / Boudicca
- Jabberwocky / The walrus and the Carpenter
- Teeth / The Digestive system
- Pandora's Box / King Midas

Maths

Children will start by exploring place value of numbers up to 1 million. They will work with negative numbers, rounding and ordering numbers. After that, we will use written methods (addition, subtraction, short/long multiplication and short/long division) to calculate and solve problems.

PSHE

Connecting with others – Why are healthy relationships important?

Children will investigate identities, values and relationships by discovering how experiences and beliefs can influence choices and behaviour.

Science

In science, children will be learning materials. We will explore

- *Soluble and insoluble materials
- *reversible and irreversible changes
- *everyday uses for materials

PE

Football

Children will work with a specialist coach from the Newcastle United Foundation to develop their football skills.

We will cover

- controlling the ball
- passing and receiving
- moving with the ball
- tackling
- tactics and teamwork

Art

Perspective drawing:

- *Create tone & texture using drawing tools to add effect.
- *Demonstrate greater control over drawing tools to show awareness of proportion and further develop use of tone and more intricate mark making.
- *Explore use of shapes and pattern.
- *Create three-dimensional drawings using perspective.
- *Use sketchbooks purposefully to

Music

Children will study the song, Livin on a prayer by Bon Jovi. They will explore the make up of the song (pulse, tempo, rhythm etc) before learning to sing and perform the song.

French

Children will learn about sounds, words and grammar in French. They will be able to record numbers up to 30 and tell the time to o'clock (heure) and half past (et demi)

Computing

Online Safety and core skills:

Building upon prior learning from lower in school, children will refresh and enhance their online safety skills through a number of activities and discussions, such as exploring online safety, citations and designing strong passwords.

They also explore self image and identity.

History

Children will explore the early Islamic civilization and make links with Anglo-Saxon Britain at the same time. They will secure their knowledge of chronology and using sources to draw conclusions. The children will explore settlements and achievements and decide where they would rather live if they were alive in 900AD.
